

# THE GRIZZLY AND GRIZZLY RAMP

UNIVERSAL TRUCK BED SLIDE

Our GRIZZLY Truck Bed Slide is the FIRST, truly affordable and fully adjustable modular bed system to improve the usage of every truck! Make the truck work for you better!

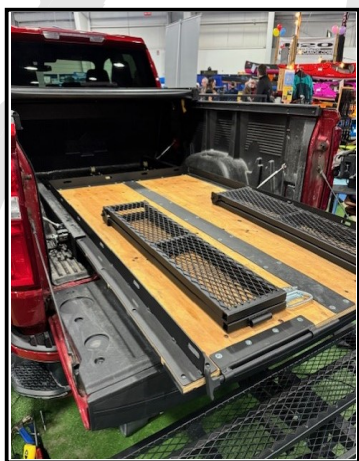

## SECURE • DURABLE • COST EFFECTIVE

Improving the flexibility and working space of your truck bed was our focus. Truck beds can be difficult to get up and down from but having a sliding bed allows for much easier loading and unloading by bringing the far end of the bed right to your fingertips. Load, strap down, transport and unload at the site and make the process smoother and safer!

GRIZZLY Truck Bed Slide for workspace use! Our Carrier can support up to 1500 pounds (680 Kg)  
Locks at 16" intervals to control the location while loading and unloading heavy articles!

### THE GRIZZLY FEATURES

- **Design Simplicity.**
- **Variations of installation configurations – 5', 6' and 7' beds.**
- **Width of the platform is decided by the width of your bed – it's completely adjustable to fit 42" to 48" wide beds.**
- **Easy to install and improve your truck bed useability.**
- **You choose the kind of ¾" plywood you want to use.**
- **Set the sides and base rollers into place, put the metal railings on your board. Push in the board and you're ready to go!**
- **Lock using the 'slidelock' to adjust to the IN or OUT position that best suits you.**

GRIZZLY Bed Slide fits in ANY bed depth for 5', 6' and 7' deep beds.

GRIZZLY Bed Slide fits in ANY bed and is adjustable to 42" to 48" wide beds!

GRIZZLY Bed Slide extends the bed by up to 4' in length

## PRODUCT SPECIFICATIONS:

<b>Material:</b>	10 Gauge, Cold-Rolled, High-Grade Steel
<b>Fasteners:</b>	All components are SAE Certified for Strength, Durability and Performance
<b>Coating:</b>	Powdered Polyester Resin (SandTEX Black) with UV and Rust Inhibitor
<b>Accessibility:</b>	We designed the mechanism, so the platform is chosen by you and installed by you ... the most experienced user we know. The side rails with the turnbuckles keep the platform centered and secure with a locking mechanism that can lock the platform every 16".
<b>Securing the Work:</b>	The platform is used to secure your most-used equipment and tools (i.e. Cutoff Saw, Table Saw, Press, Pipe Cutter ...) you get the idea.
<b>SPECIAL FEATURE:</b>	<ul style="list-style-type: none"><li>• Universal Bed Slide, fits all trucks.</li><li>• No drilling into the bed.</li><li>• Turnbuckle tie downs for securing frame.</li><li>• Tie down locations on sides of slide to secure your load.</li></ul>
